### “MEMO” – SUNLIFE STANLEY INTERNATIONAL DRAGON BOAT CHAMPIONSHIPS 2010

**TO: ALL TEAM MANAGERS**  
**RE: Team Managers Meeting, Practice sign-in, Manual & Rules**  
**DATE: 22-2-2010**

Dear Participants

1. Hong Kong Stanley International Dragon Boat Championships will be held on 16 June 2010. To ensure a safe and smooth competition day, you are cordially invited to attend the Pre-race Meeting which will be held from **6:00pm to 7:30pm on Sunday 6 June 2010 at Stanley Community Hall**. Special topics we would like to brief you include new rules, starting procedure, draws, system of play and transport, etc. All team Managers should attend, or bring the team captain along. Please also bring along with your Team Membership Card for the Meeting so as to pick up your 3 copies of the Race Programme which included the draw sheets for the races and detailed schedule can be found.
2. Each steersman (steerer) can only steer for the team he/she registered for in that year as shown in the Steersman ID Card, on either practice days or race day(s). “Steersman Registration Form” has just been rewritten and updated recently, with introduction of the new Temporary Steersman Card system in 2008. Please download and re-register. Starting from year 2005, even during practice sessions, both trainee and registered steersman should wear the “Steersman ID Card” and accompany the team leader / captain for sign in before voyage.
3. “Race Manual” (with “Race Rules”) is ready for downloaded from the official race web site. Each team can also claim one free copy during weekend practice sessions at the beach marshalling area. This is important race document, please read with great care.
4. There will be more products such as Sporty Glove, Dry Bag, Padded Shorts, Mobile phone dry bag, EasyDry-Perspiratory Tee, and Cotton T-Shirt at the Souvenir Booth this year, during both practice and race day. Advance order is welcomed. Bottled water with attractive price also available, you may have the order for the race day.
5. It is preferred that Race Day steersman booking is arranged in advance. If you have not book the race day steersman, please fill in the attached form and return to us at your earliest convenience.
6. Please be reminded that the championships official web site (<http://www.dragonboat.org.hk>) is the most comprehensive dragon boat race website in Hong Kong and is a good resource for members of your team to get relevant event information. This can save the organizer and yourself lots of individual briefing. Please make good use of it.

Yours truly,

Alson Wong
