(F)赤柱龍舟競渡 - 舵手註冊

鑑於無經驗的舵手恐未能保持正確航道，會危及他人安全、引致損壞龍舟及妨礙比賽進度等嚴重問題，賽會已經為舵手引入一套考核及註冊的制度。為確保安全，**比賽當日及練習期間只有已獲本會考核及認可之註冊舵手方能掌舵，而且必須佩戴合格証**。比賽及練習期間，每名舵手只能為註冊時所註明的所屬隊伍掌舵。

有意參加正式考核者，請於任何訓練日將隨函附上之申請書連同兩張舵手的半身相(護照用的尺寸)及400元報名費交予練習場地負責人，並即場考試。費用包括考試費，舵手T-shirt 及合格舵手証，有效期為於考核內三年。若考核不合格者，將退回200元。合格者，請於練習日或比賽日於詢問處取一張附有相片之合格証。遺失補發舵手証費用為300元。

任何隊伍舵手若在練習期間要求賽會提供練習時間，但賽會不會提供技術指導，亦當作聘用舵手計(每小時收費HK\$150)；或比賽當日要求賽會提供合格舵手，則請於每場比賽前30分鐘前往司令台預訂，並繳付每場港幣\$150元的費用。

另外本年「參賽手冊」及「規則」，務請詳閱。

敬祝 貴隊成績美滿

此致 各參賽隊責人

(F) STANLEY DRAGONBOAT RACES - STEERSMAN REGISTRATION

Dear Team Managers

Inexperienced steersmen without proper course will be risky to other competitors. They may also cause damage to the dragonboat and disturb the progress of the competition. In order to solve the problems, the organizer has introduced a system of testing and registering steersmen. **During official races and practices, only passed and registered ones should steer and they must wear such certificate card.** Each steersman can only steer for the team he/she is registered for in that year as shown in the card, on either practice days or race day(s).

Candidates for the test have to return the attached form to duty-officer-in-charge on any practice day with 2 passport photos and HK\$400 to apply for instant assessment which includes assessment fee, steersman T-shirt and certificate card. Refund \$200 will be made if the test fail. Successful candidates will have the card picked up at the beach on race or practice days. New cards are valid for 3 years from the assessment day. \$300 is charged for those lost need to be renewed.

Teams request for technical instruction for practice will be charges as regular steersman hire, i.e. \$150 per hour. On the Race Day, those without their own steersmen may hire an official one at \$150 per race. Besides, handbook size "**Racing Manual**" and "**Rules and Regulations**" should be read carefully in order to save you lots of enquiries.

Wishing you and your team every success in the Festival.

Yours truly,

Alson Wong

Race Director
